This Certificate of Insurance is issued for information only and does not confer any right to the person in its possession. The insurance certificate does not constitute an amendment or supplement to the aforementioned policy. Only the applicable contractual conditions are decisive, irrespective of any other requirement, for example in connection with a contractual relationship between the policyholder and the person in possession of the certificate. The stated amount of insurance is valid from the date of commencement of the policy and may no longer be fully available if claims have subsequently resulted in compensation. Sub-limits and / or deductibles may apply.
